

Education and Training Pathway

Earn the Public Services endorsement by completing four credits within the CTE Education and Training cluster including one advanced course, as noted by **(ADV)**.

Human Growth and Development

Course ID: CET11 A&B/13014300
Credit: 1.0

Explore the stages of human life – prenatal, infancy, childhood, adolescence, adulthood; including biological, psychological and social changes of each stage. Explore theories of development, genetics, birth and the neonate, cognitive and brain development, early experience, attachment, motor and language development, social, moral and development, aging and death.

Instructional Practices in Education (ADV)

Course ID: CET12 A&B/13014400
Credit: 2.0

Expand knowledge through practical experience in classroom and working onsite at a district school. Gain practical experience working beside a certified teacher in kindergarten through middle school.

PR: Completion of Human Growth & Development

Practicum in Education and Training (ADV)

Course ID: CET82 A&B/13014500
Credit: 2.0

Participate in a supervised practical application of early childhood education through classroom learning and a paid or unpaid work experience. Acquire employability skills and experience for pursuit of career opportunities in education and training through planning and directing individualized instruction and group activities and assisting with record keeping of classroom teachers, trainers, paraprofessionals, and educational personnel.

PR: Completion of Instructional Practices in Education
